Music to “The Pits” deadline:	Sept 1st
Venue:	True North Nature Center

NOW is the perfect time to ‘get your act together’ - while you’re with 100 friends & potential duet, trio, quartet ...etc. group members. Talk it over during a break, what is that song or songs that you all love that you’d really love to perform? Then just let me (jimlucas@tri-techmedical.com) know the details. There’s no rule against performing in multiple groups.

Performance artistic direction – Utilizing the choral & instrumental skills of our members, perform 24 – 30 pop chart or show tunes of the 40’s thru 90’s with up to a half dozen male trio’s or quartets and a half dozen female trio’s or quartets with background music provided by a small horn & rhythm section band. Whatever you & your group choose to perform, please just try to bear in mind the format here with the background instrumentals – it all needs to work together.

A list of *possible* group’s tunes to be performed (see attached) could include tunes by: The Beatles, Billy Joel, The Supremes, Frankie Valli & the 4 Seasons, The Temptations, The Clovers, The Andrews Sisters, The Shirelles, The Chantels, The Chiffons, The Vanellas, & The Delfonics, cast of Rent, Abba, Manhattan Transfer.

The show would be fast paced with little to no breaks between tunes, only enough time for audience acknowledgement and the next group is on and we go. Most of these tunes are only about 3 to 3 ½ minutes long – so the whole show would be only about 1 ½ hr.

In order for this to work, each group must provide their own music and a copy must be given to Jim Lucas by September 1st. This is so your backup band “The Pits” can arrange/transpose all of those great filler licks & background sounds you have come to associate with the tune as you heard it on the radio or in the theatre. Each group works out their own; harmonies, costumes & choreography and arguments. Charts are reserved on a first come/first serve basis, so hurry & sign up your group for your favorite tune!

Goals - Entertain 200+ guests Exercise our artistic abilities Have a lot of fun
